David Graham

The **Institute for Jewish Policy Research** (JPR) is an independent think-tank that informs and influences policy, opinion and decision-making on social, political and cultural issues affecting Jewish life.

David Graham is Fellow in European Jewish Demography at the Institute for Jewish Policy Research (JPR). He has a degree in geography from the London School of Economics and an M.Sc. in social research techniques and statistics from City University, London. He has written reports on European Jewish demography, synagogue membership and the 2001 UK Census.

jpr/programmes of research

Planning for Jewish communities
Jewish culture: arts, media and heritage
Israel: impact, society and identity
Civil society

Planning for Jewish communities includes surveys and research into the infrastructure of organized Jewish communities, helping them develop policy recommendations and strategies for change in the welfare, educational and social sectors.
